

Study Missouri Consortium is an association open to all independent and public institutions of secondary and higher education with main campuses in Missouri. **Study Missouri** was formally organized in Jefferson City, Missouri in June 2009 by educators committed to cooperative efforts in support of international education in the State of Missouri.

The Mission of **Study Missouri** is to support and enhance the capacity of member institutions, individually and collectively, to foster international experiences and cross-cultural competence among students, faculty and citizens in Missouri and to facilitate communication, cooperation and expansion of international educational activities and exchanges in the State of Missouri.

Regular Membership is open to all secondary and postsecondary independent and public institutions with main campuses in Missouri (two-year, four-year, comprehensive and research institutions).
